Dear Chair and Members,

RE: Amendments – Bartlett-Havelock-Gladstone Cycling Connections

BACKGROUND:

In April 2022, City Council approved the installation of the Bartlett-Havelock-Gladstone Cycling Connections as generally described in Revised Attachment 2 (IE28.7). Within Revised Attachment 2 there were minor technical errors and 1 missed by-law that are being corrected with this motion.

Based on a supplementary review, the following modifications are recommended:

- Technical revisions to accessible parking and loading areas.
- Addition of 1 No Stopping area along an approved bike lane.

Therefore I ask that the Infrastructure and Environment Committee approve the below motion to make the above adjustments to the Bartlett-Havelock-Gladstone Cycling Connections project.

MOTION:

1. Request that the Infrastructure and Environment Committee approve the attached parking, and traffic by-law amendments as part of the Bartlett-Havelock-Gladstone Cycling Connections project.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
