I am writing to you on behalf of the Ladies Youthful Seniors Golf Group, a league that has been golfing at Scarlett Woods Golf Course for over 35 years. Since Covid-19 changed the way we golf, we have continued to golf at Scarlett Woods making our own foursomes. Now we hope we can again be given a block of times for us to use for our members.

We support many of the recommendations that you are reviewing and in particular

- The continuation of the land use for golf, with enhancements such as improvement of the amenities and allowing leagues such as ours to function again at the courses. As senior citizens we have in particular been facing hardships from Covid-19 and have valued the physical and social benefits from playing golf these last few years.

-

Sincerely
Sharon Jorgensen, President
Ladies Youthful Seniors Golf Group
