---

To the City Clerk:

Please add my comments to the agenda for the July 7, 2022 Infrastructure and Environment Committee meeting on item 2022.IE31.20, Metrolinx Proposed Don Valley Layover

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

Dear Members of the Infrastructure and Environment Committee,

I am writing in regards to IE31.20, Metrolinx Proposed Don Valley Layover.

I am deeply concerned about the proposal to build on this site in the Don Valley. If Metrolinx proceeds as currently proposed it will undermine the Don Valley Park and seriously impact the planned Wonscotonach Parkland.

Please support the recommendations below:

1. City Council direct the Deputy City Manager, Community and Social Services and the Deputy City Manager, Infrastructure and Development Services to request Metrolinx to undertake due diligence on alternate locations for the proposed Don Valley GO train layover facility.
2. City Council direct the Deputy City Manager, Community and Social Services and the Deputy City

Manager, Infrastructure and Development Services to ensure the Ontario Minister of Environment, Conservation and Parks is made officially aware of the danger to this ravine parkland by the siting of the proposed layover and tracks.

3. City Council direct the Deputy City Manager, Community and Social Services and the Deputy City Manager, Infrastructure and Development Services to make the Federal government aware of the impact of this proposed layover and tracks to the Wonscotonach parklands and Don Valley ravine and request the Federal Government to review their financial contribution to this project.

Save the Valley and Build the Park!

Sincerely,

Nicki Weiss, PCC, CPCC, CSP
