Re-Opening of Item EY27.12 - Parking Amendments - La Rose Avenue - by Councillor Stephen Holyday, seconded by Councillor Mark Grimes

** Notice of this Motion has been given.*

** This Motion is subject to a re-opening of Item EY27.12. A two-thirds vote is required to re-open that Item. If re-opened, the previous Council decision remains in force unless Council decides otherwise.*

Recommendations

Councillor Stephen Holyday, seconded by Councillor Mark Grimes, recommends that:

1. City Council delete its previous decision on Item EY27.12 and adopt instead the following:

1. City Council prohibit parking at all times on the north side of La Rose Avenue, between a point 80 metres east of Timothy Court and a point 70 metres further east.

Summary

I am writing to request re-opening Item EY27.12, adopted by City Council on November 9, 10 and 12, 2021, which approved staff recommendations to prohibit parking at all times on the north side of La Rose Avenue, between a point 100 metres east of Timothy Court and a point 20 metres further east. An amendment to the parking prohibition location is required.

Transportation Services has notified me that a number of underground utilities discovered in the boulevard in the subject area do not allow for the installation of additional sign posts where they were originally contemplated. As a result, Transportation Staff recommend that Council modify the parking prohibition location in order to utilize the nearest existing utility poles to accommodate the sign installations.

The parking prohibition, including this proposed amendment, will improve visibility for pedestrians in the area of the walkway.

REQUIRES RE-OPENING
