Authorization to Release Section 37 Funds from the Development at 847-871 Sheppard Avenue West to the Toronto Catholic District School Board towards Playground Improvements at St. Roberts Catholic School - by Councillor James Pasternak, seconded by Councillor Brad Bradford

** Notice of this Motion has been given.*

** This Motion is subject to referral to the Executive Committee. A two-thirds vote is required to waive referral.*

Recommendations

Councillor James Pasternak, seconded by Councillor Brad Bradford, recommends that:

1. City Council increase the 2022 Approved Operating Budget for Non-Program by \$70,000.00 gross, \$0 net, (Cost Centre: NP2161), fully funded by Section 37 funds obtained in the development for 847-871 Sheppard Avenue West, (Source Account: XR3026-3701110), secured for parks improvements and public realm projects in the Ward, for the purpose of providing one time capital funding to the Toronto Catholic District School Board for playground improvements at St. Roberts Catholic School located at 70 Bainbridge Avenue.
2. City Council direct that the \$70,000.00 be forwarded to the Toronto Catholic District School Board upon the signing of an Undertaking by the Toronto Catholic District School Board governing the use of the funds and the financial reporting requirements.

Summary

The area that encompasses St. Roberts Catholic School is currently deficient in playground and outdoor equipment. With a growing population and an increasing number of children and young families, Clanton Park is in need of safe and new playgrounds facilities. The Toronto Catholic District School Board has identified a need for capital investments at St. Roberts, in the form of a new playground facility, vertical chalkboards and benches. In directing funds towards such a project, the green space and proposed park improvements can continue to be used by community members to supplement their access to local outdoor play structures outside of school hours.

The Section 37 Implementation Guidelines (section 5.7) approved by Council in 2007 state that:

"Cash contributions toward the capital improvement of school board playgrounds are eligible S.37 community benefits where the playground serves as a local park, where the public will continue to have reasonable access for the foreseeable future, and where there

is no local City-owned parkland performing a similar function in the same community that could otherwise benefit from the cash contribution."

The Toronto Catholic District School Board will sign an Undertaking governing the use of the funds and the financial reporting requirements prior to the funds being released from the City.
