MM47.37	ACTION			Ward: All
---------	--------	--	--	-----------

Re-Opening and Amending IE26.10 regarding Danforth Avenue - by Councillor Brad Bradford, seconded by Councillor Jennifer McKelvie

** Notice of this Motion has been given.*

** This Motion is subject to a re-opening of Item IE26.10. A two-thirds vote is required to re-open that Item. If re-opened, the previous Council decision remains in force unless Council decides otherwise.*

Recommendations

Councillor Brad Bradford, seconded by Councillor Jennifer McKelvie, recommends that:

1. City Council amend its previous decision on Item 2021.IE26.10 by authorizing the amendments to Chapter 903, 910, and 950 as generally described in Attachment 1 to Motion MM47.37 for the City Council approved Destination Danforth project between Dawes Road and Victoria Park, for by-law accuracy and as associated with Part 11 of City Council's previous decision.

Summary

In December 2021, City Council approved the ActiveTO Cycling Network Expansion projects installed in 2020 as permanent bikeways and authorized the extension of Destination Danforth from Dawes Road to Victoria Park Avenue. After finalizing the design for the extension, staff have determined that a number of by-law amendments are required, including parking machine location adjustments, no parking and stopping adjustments, new accessible loading zones and the addition of reserved lanes for public transit vehicles. Therefore, I ask that City Council approve this Motion to make necessary adjustments to the Destination Danforth project extension between Dawes Road and Victoria Park.

REQUIRES RE-OPENING:

Item IE26.10 (December 15, 16 and 17, 2021 City Council meeting) only as it pertains to Danforth Avenue.
