Confidential Attachment - The security of the property of the municipality or local board

Recommendations

Councillor Ana Bailão, seconded by Councillor Paula Fletcher, recommends that:

1. City Council direct the Housing Secretariat, and any other appropriate City Division, to develop a Request for Proposals for the property identified in Confidential Attachment to this Motion for a use that includes housing and support services for women who are victims of domestic violence.
2. City Council direct that Confidential Attachment 1 to this Motion remain confidential at the discretion of the City Solicitor.

Summary

The City of Toronto owns a property that has remained vacant for a period of years and while currently under the management of the City's Parks, Forestry and Recreation Division. The property has been circulated to City Divisions and both the Housing Secretariat and the Social Development and Finance and Administration Divisions have expressed an interest. Since the Housing Secretariat has expressed their interest, it would be appropriate that a Request for Proposals be issued for a use that includes housing and support services for women who are victims of domestic violence.
