North York Community Council

RE: Reopening of Item NY30.27 – Accessible Parking Space – Esgore Drive

To the Members of the North York Community Council,

I am writing to request your support in reopening Item NY30.27, adopted by North York Community Council on February 23, 2022, and to rescind the authority to remove an on-street accessible parking space on the east side of Esgore Drive.

While at the time the staff report was adopted it was believed that the space was no longer required, I have since been notified by Transportation Services that contact has been made with the accessible parking permit holder who has indicated that the need for this space still remains.

Recommendations:

That the North York Community Council:

1. Re-open Item NY30.27, entitled "Accessible Parking Space – Esgore Drive".
2. Delete recommendation 1 of the North York Community Council decision on Item NY30.27 and adopt the following instead:
 - "1. Not rescind the existing designated on-street accessible parking space in effect at all times on the east side of Esgore Drive, from a point 44 metres north of Haddington Avenue and a point 5.5 metres further north."

Best regards,

Councillor Mike Colle
