North York Community Council

**RE: Proposed Parking Changes on Stormont Avenue between
Bathurst Street and Glen Rush Blvd**

To the Members of the North York Community Council,

These much-needed parking changes will improve the parking flexibility and resolve existing parking challenges for residents, and visitors attending the local businesses and places of worship surrounding Bathurst St.

Recommendations:

That the North York Community Council rescind the existing parking prohibition in effect at all times on the north side of Stormont Avenue, between a point 55 metres east of Bathurst Street and Glen Rush Boulevard.

Best regards,

Councillor Mike Colle
