Dear Members of the Toronto Parking Authority Board of Directors,

RE: 20 Prescott Avenue (CP133)

My office is committed to ensuring that local businesses within my ward have the necessary support to recover from devastating impacts of COVID-19. The supply of public parking is one of several critical enablers necessary to ensure vibrant communities and local businesses. The surface car park located at 20 Prescott Avenue is directly adjacent to businesses fronting St. Clair Avenue West and is critical in supporting their customers, particularly as they recover from the significant impacts of COVID-19. As a result, I am supportive of Corporate Real Estate Management (CREM) negotiating a license with Hydro One Networks Inc. on behalf of Ontario Infrastructure and Lands Corporation that will support the Toronto Parking Authority in continuing uninterrupted operations at TPA Car Park 133 located at 20 Prescott Avenue.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
