RE: PB38.2 - 551 Mount Pleasant Road - Notice of Intention to Designate a Property under Part IV, Section 29 of the Ontario Heritage Act

The Regent Theatre at 551 Mount Pleasant Road is located within the boundaries of the South Eglinton Davisville Residents' Association (SEDRA).

The theatre is on Mount Pleasant Road in the heart of our community both physically and culturally.

We would like to thank Heritage Staff for their excellent Report for Action. The report highlights the unique history of the theatre and also emphasizes the importance of the conservation of cultural heritage.

The proposed designation is an important step for the future of this property so it can continue to serve the cultural needs of the community in Midtown Toronto.

SEDRA supports the Intention to Designate the property at 551 Mount Pleasant Road.

Sincerely Yours,

Sharon Mourer
