Date: January 11, 2022 9:40:32 AM

Dear Councillors

The Bayview-Sheppard Neighbourhood Alliance Alliance (BSNA) supports Official Plan Amendments and the elements of the Zoning By-law Amendment that support Toronto's Tree Canopy Target and the City's TransformTO Net Zero Strategy to increase onsite green space, landscaping and the city's tree canopy.

The BSNA further supports City staff and local Residents Associations monitoring the Garden Suites initiative and recommending any changes to improve implementation, including any changes needed to tree canopy enhancement and protection under Municipal Code Chapters 608, 658, or 813,

Yours Truly

David Reid

Secretary, Bayview-Sheppard Neighbourhood Alliance (BSNA)
