EQUITY IMPACT STATEMENT

The HousingTO 2020-2030 Action Plan envisions a city in which all residents have equal opportunity to develop to their full potential. The HousingTO 2020-2030 Action Plan is also centred on a human rights-based approach to housing. This approach recognizes that housing is essential to the inherent dignity and well-being of a person and to building healthy, inclusive and sustainable communities.

The Housing Now Initiative is a key program under the HousingTO 2020-2030 Action Plan aimed at creating new affordable rental housing within mixed-income, transit rich,

complete communities. Creating new affordable housing through the Housing Now Initiative will increase the opportunity for structurally vulnerable and marginalized individuals, including Indigenous Peoples, Black people, people of colour, seniors, women, and members of the LGBTQ2S+ community to access safe, healthy and adequate homes. More housing opportunities for essential workers and families will also be created through the Housing Now Initiative.

Safe, secure, affordable housing is an important social determinant of health. It improves the social and economic status of individuals, families and communities. Good quality, affordable housing is also the cornerstone of vibrant, healthy neighbourhoods and supports the environmental and economic health of the city, region and country as a whole.
