

***Expression of Condolence for  
Salvatore Cerullo by Toronto City Council***

**Moved by: Councillor James Pasternak**

**Seconded by: Councillor Mike Colle**

The Mayor and the Members of Toronto City Council are deeply saddened to learn the passing of Salvatore Cerullo on Sunday, January 16, 2022.

Having moved to Canada from Italy in 1968, Sal lived in York Centre and worked for the City of Toronto for more than 30 years. He loved his family, his garden, his wine, his Keno, and helping his friends and neighbours.

Sal was the true definition of a good neighbour and was the one you could always count on. Everyone in the neighbourhood knew his name and it was a common sight to see neighbours working with him on home improvement projects and enjoying vegetables from his backyard garden.

Always on the go, Sal was always ready to help his community. You would see him load up his lawnmower into the trunk of his small car to go mow the lawns for people who couldn't. Sal was also a long time helper to his 99 year old neighbour, clearing her snow, cutting her grass, removing wasp nests, and taking her and her late sister shopping on a regular basis.

A neighbour referred to him best, as "a gem of a man and an awesome member of our community."

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to family and friends of Salvatore Cerullo.
