

Expression of Condolence for Scott Lyall by Toronto City Council

Moved by: Councillor Brad Bradford

Seconded by: Councillor Gary Crawford

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Scott Lyall in July 2022.

If there is a golf course in heaven then that is where you will find Scott Lyall. He will be dearly missed on the greens at the Toronto Hunt Club, his second home.

Scott has been an active member of the Toronto East York and Beach Community for 25-plus years. He served as a Director on the then Toronto East General Hospital Foundation Board, (now Michael Garron Hospital Foundation). Scott was instrumental in establishing the highly successful Golf Classic event which has raised hundreds of thousands of dollars for his local hospital.

Scott's career in real estate is legendary he and was a Platinum Award Winner and Hall of Fame Member of ReMax in the Beach. Throughout his career Scott supported numerous community initiatives through sponsorship, active participation, and in-kind support. Community work was a huge part of Scott's efforts through Rotary, where he was a two-time Past President of the Rotary Club of East York.

Scott loved life and his energy and enthusiasm were infectious, whether it was on the course, on the board, or special poker nights with long-time friends, Scott stood large in the room and was full of charisma.

Scott leaves his wife Jan and daughter Ashleigh. He will be missed by all who knew him or benefitted from his generosity.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Scott Lyall's family.
