**Subject: U-turn prohibition McNicoll Avenue immediately west of Kennedy Road**

Dear Scarborough Community Council Chair and Members:

In response to numerous concerns brought to my attention by members of the community, I am bringing forward a motion to Scarborough Community Council that would prohibit westbound U-turns on McNicoll Avenue west of Kennedy Road, in immediate area of 1881-1883 McNicoll Avenue.

As the Toronto Transit Commission (TTC) service operates a transit service on McNicoll Avenue, City Council approval of this request is required.

Repeated illegal U-turns at this location has become a safety hazard for drivers and pedestrians. I am asking the members of Scarborough Community Council to support my recommendation to prohibit westbound U-turns at this location.

**RECOMMENDATION:**

**Scarborough Community Council recommends that:**

1. City Council prohibit westbound U-turn movements at all times on McNicoll Avenue, between the private access located approximately 200 metres west of Kennedy Road and a point 120 metres further west.

Sincerely,

Nick Mantas,  
City Councillor, Ward 22  
Scarborough-Agincourt
