# Presentation Overview

- Objectives and Scope
- Key Areas of Consideration
- Anticipated Timeline
- Discussion

# Objectives of the Review of Governance Documents

- **To support TAF and the City to continue to advance climate action**
- **To update key TAF governance documents to reflect:**
  - City and TAF successes, strategies, policies and partnerships
  - TAF's growing capacities, endowment and mandate
  - TAF Board and City Council direction

# Scope of Review of Governance Documents

- This is not a governance review of TAF (i.e. mandate, operations, structure)
- This is an update to key governance documents:
  - Relationship Framework (2013)
  - TAF By-law #1 (2003)
  - Statement of Investment Objectives and Principles (SIOP) (2015)
- **Relevant legislation and other considerations:**
  - *e.g. Toronto Atmospheric Fund Act, 2005; City of Toronto Act, 2006*
  - Ontario Transfer Payment Agreement and Canada Agreement
  - Council directives including 2011.EX4.6

# Key Areas of Consideration

- Language, structure and alignment of documents
- Implications of TAF's expanded endowments and GTHA mandate
- Implication of Ontario Not-for-Profit Corporations Act
- City and Board responsibilities
- TAF decisions that require Council approval
- How City policies apply to TAF
- City supports to TAF and communication/reporting processes
