TO: Board of Directors of the Toronto Atmospheric Fund

Re: Update on Human Resources Matters and Compensation Review

The Chair of the Human Resources Committee will update the Board on Human Resources matters, including a review of compensation for Toronto Atmospheric Fund staff. Additional materials with recommendations related to the compensation structure for TAF employees will be provided to the Board for consideration. These matters will require a closed session discussion, as they relate to personal information about identifiable individuals and compensation considerations.

Regards,

Parminder Sandhu,

Chair,

Board of Directors of the Toronto Atmospheric Fund
