Date: January 31, 2022

To: Toronto and East York Community Council

From: City Clerk

Wards: 9, 10

SUMMARY

The purpose of this report is to seek City Council direction on two requests received by the City Clerk's Office for municipal endorsement for temporary liquor licence extensions that do not meet the criteria of the delegated authority.

RECOMMENDATIONS

The City Clerk recommends that:

1. Community Council decide whether to consider the following is an "event of municipal significance" under Chapter 27-18.4, Delegation to Community Councils:

- Do West Fest;
- OssFest

2. City Council decide whether to endorse application for extensions to licensed hours or areas for the establishments listed in Attachment 1 and direct the City Clerk to issue letters of municipal significance and non-objection to the Alcohol and Gaming Commission of Ontario.

FINANCIAL IMPACT

There is no financial impact resulting from the adoption of the recommendations in this report.

DECISION HISTORY

City Council delegated authority to the City Clerk to issue letters of endorsement to the Alcohol and Gaming Commission of Ontario for events that meet a specific set of Endorsement of Events for Liquor Licensing Purposes

COMMENTS

The City Clerk has received requests for endorsements and non-objection letters supporting AGCO applications for 2 multi-location events. These involve the extension of hours after 11:00 p.m. on patios including sidewalk and CaféTO curbside cafés. These requests exceed the authority delegated to the City Clerk and therefore require:

- Community Council to declare the events as "events of municipal significance"; and
- City Council to endorse temporary extensions of hours and/or premises of participating licensed establishments.

Attachment 1 summarizes the requests from event organizers to be designated as events of municipal significance and the list of licensed establishments associated with their events requesting extensions of their existing liquor licences.
