Toronto and East York Community Council

**Re: Shaw Street – Community Safety Zone**

Dear Chair and Members,

Transportation Services staff have identified that the segment of Shaw Street between Dundas Street West and Queen Street West qualifies to be a Community Safety Zone. Givins/Shaw Junior Public School is located on this block, and speed humps have already been installed to discourage speeding. The Community Safety Zone designation will help make Shaw Street safer for students and residents.

**Recommendations:**

1. City Council add Shaw Street, between Dundas Street West and Queen Street West, as a Community Safety Zone.

Sincerely,

Joe Cressy  
Councillor, Ward 10
