Dear Chair and Members,

RE: Speed Hump Installation on Stonehouse Crescent

BACKGROUND:

In September 2020, residents reached out to my office with an urgent concern about speeding along their street and requested via an online survey that traffic calming measures (speed humps) be installed as a method of addressing these concerns. Of those that responded, a strong majority were in support of making this change.

I am requesting that speed humps be installed on Stonehouse Crescent Avenue from Dufferin Street to Gladstone Avenue.

RECOMMENDATIONS:

1. Waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed hump) on Stonehouse Crescent, between Dufferin Street and Gladstone Avenue.
2. Direct the City Solicitor to prepare a by-law to alter a section of the roadway on Stonehouse Crescent, between Dufferin Street and Gladstone Avenue, to install one speed hump, generally as shown on the copy of 'Drawing No. 421G-3991' dated February 2022 from the Director, Traffic Management, Transportation Services.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
