RE: Speed Humps Installation – Lee Avenue between Queen Street East and Alfresco Lawn

To the Chair and Members of Toronto and East York Community Council:

Background:

Residents have reached out to my office with concerns about speeding along their street and requested that traffic calming measures (speed humps) be installed on the street as a method of addressing these concerns. My office polled the homes and there was strong support from the residents for making this change. I am requesting that speed humps be installed on Lee Avenue between Queen Street East and Alfresco Lawn.

Recommendations:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Lee Avenue between Queen Street East and Alfresco Lawn; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway to install five speed humps on Lee Avenue, between Queen Street East and Alfresco Lawn, for traffic calming purposes, generally as shown on the attached Drawing No. 421G-4010, dated April 2022, from the Director, Transportation Services, Toronto and East York District.

Sincerely,

Brad Bradford

Toronto City Councillor
