Councillor Gord Perks
Chair, Toronto and East York Community Council
Toronto City Hall

Sammon Avenue Pedestrian Safety

Dear Chair and Members of the Toronto and East York Community Council,

The Quiet Streets program that Transportation Services implemented for the past few summers has been very popular with residents. They have expressed an interest in having permanent improvements made to increase the levels of pedestrian safety and to preserve the sense of community that they experienced during the Quiet Streets program.

Sammon Avenue is scheduled to be resurfaced between Pape Avenue and Linsmore Crescent in 2022. I am requesting support for including improvements as part of that project.

Recommendation:

1. Request the General Manager, Transportation Services, to include the installation of pedestrian safety improvements in the upcoming road resurfacing of Sammon Avenue, including for the portion of Sammon between Linsmore Cres and Coxwell Avenue.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
