PROPOSAL

The application to amend the Zoning By-law proposes two residential towers with heights of 27 and 31-storeys atop a base building which would range in height between two and 12-storeys. The proposed development would include a 1,077 square metre public park, a privately owned publicly accessible open space (POPS), and a 465 square metre community agency space. The site is subject to a commercial agreement with Metrolinx under the Province of Ontario's and Metrolinx's Transit-Oriented Communities Program and the future Bloor-Lansdowne SmartTrack station would be integrated within the proposed development.

A total of 60,439 square metres of gross floor area (GFA) is proposed, of which 59,238 square metres is comprised of residential GFA, 291 square metres is comprised of retail GFA, 465 square metres is comprised of community agency space GFA, and 445 square metres is comprised of the SmartTrack station. The development would also contain 799 residential units, 268 vehicular parking spaces, and 800 bicycle parking spaces.

Detailed information regarding the proposal, including background information and material may be obtained by contacting Victoria Fusz, Senior Planner at 416-395-7172, or by e-mail at Victoria.Fusz@toronto.ca.
