Dear Chair and Members,

RE: Speed Hump Installation on Delaware Avenue

BACKGROUND:

In June 2021, residents reached out to my office with an urgent concern about speeding along their street and requested via an online survey that traffic calming measures (speed humps) be installed as a method of addressing these concerns. Of those that responded, 86% were in support of making this change.

I am requesting that speed humps be installed on Delaware Avenue from Dupont Street to Hallam Street.

RECOMMENDATIONS:

1. Waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Delaware Avenue, between Dupont Street and Hallam Street.
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway on Delaware Avenue, between Dupont Street and Hallam Street, to install three speed humps, generally as shown on the copy of 'Drawing No. 421G-4051' dated May 2022 from the Director, Traffic Management, Transportation Services.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
