### **SUMMARY**

The purpose of this report is to respond to Toronto and East York Community Council's direction to review and report back on the realignment of Permit Parking Area 2 to exclude the development located at 1319 Bloor Street West.

Staff have determined the realignment of the Permit Parking Area 2 is feasible and has no objections to excluding the development located at 1319 Bloor Street West. ## **COMMENTS**

---

Transportation Services received a request from the Ward Councillor on behalf of local residents to realign Permit Parking Area 2, to exclude the development located at 1319 Bloor Street West.

Permit Parking Area 2 is bounded by Bloor Street West to the north, Dufferin Street to the east, the Gardiner Expressway to the south and Parkside Drive to the west. Area 2 has 1557 on-street parking spaces. To date 1123 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces.

A map of Permit Parking Area 2 is included in Attachment 1.

The exclusion of the development located at 1319 Bloor Street West is a means to ensure that current permit holders have sufficient parking space. The issuance of parking permits to residents, guests, tradespeople and caregivers of this development would negatively impact on the already limited parking supply in the neighbourhood.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 1319 Bloor Street West from permit parking in Permit Parking Area 2 forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.

Transportation Services has no objections to the exclusion of 1319 Bloor Street West from Permit Parking Area 2.

The Ward Councillor has been advised of the recommendation in this report.
