Dear Chair and Members,

RE: Realignment of Permit Parking Area "2-" to exclude the development address of 1423-1437 Bloor Street West and 278 Sterling Road

BACKGROUND:

The exclusion of the development from the 2- permit parking area is a means to ensure that current permit holders have sufficient parking space. The issuance of parking permits to residents of these developments would negatively impact on the already limited supply of parking spaces.

As a result, I am requesting approval from Toronto and East York Community Council to prohibit the General Manager, Transportation Services, from accepting applications from residents of, visitors to, and tradespersons at the subject development property. Residents have reported that it is difficult to find a parking space close to home. The request is to ensure the balance of parking within area 2- from the potential influx from another development in the neighbourhood.

RECOMMENDATION:

1. Request the General Manager, Transportation Services, amend Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to exclude the development located at 1423-1437 Bloor Street West and 278 Sterling Road from permit parking area 2-.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
