### **SUMMARY**

This staff report concerns a matter for which the Community Council has delegated authority from City Council to make a final decision.

Transportation Services is recommending temporary parking amendments on streets in the vicinity of the Distillery District to enhance traffic operations and pedestrian safety during the annual Distillery Winter Village, which takes place from November 17, 2022 to December 31, 2022, inclusive.

A companion report "Temporary Adjustments to Traffic and Parking Regulations for 2022 Distillery Winter Village (Non-delegated)" outlines the required non-delegated temporary traffic and parking amendments for streets with Toronto Transit Commission (TTC) Service.

### **RECOMMENDATIONS**

---

The Director, Permits and Enforcement, Transportation Services recommends that:

1. Toronto and East York Community Council authorize the temporary parking regulations on streets in the vicinity of Distillery District that are impacted during the Distillery Winter Village, identified in Attachment 1 attached to the report dated June 13, 2022 from the Director, Permits and Enforcement, Transportation Services, subject to City Council adoption of the companion report entitled "Temporary Adjustments to Traffic and Parking Regulations for 2022 Distillery Winter Village (Non-delegated)". The temporary parking regulations will override all existing regulations for the duration of this event (November 17, 2022 to December 31, 2022).

in Recommendation 1 above to residents through a targeted information campaign throughout the duration of the Distillery Winter Village.

## **FINANCIAL IMPACT**

## **COMMENTS**

---

Having regard for the high volume of vehicular and pedestrian traffic generated during the Distillery Winter Village, the temporary parking regulations as shown in Attachment 1 remains the same as 2021 and will help maintain efficient traffic conditions in the general area of the event while recognizing the impacts on local residents. None of the streets listed in Attachment 1 have regular TTC routes.

Upon completion of the event, Transportation Services staff, in consultation with the local Councillors, the event organizers and other stakeholders will evaluate the traffic management plan. In this regard amendments to the traffic management plan may be implemented for the following year.

The local Ward Councillors have been advised of the recommendations of this staff report.
