**RE: 70-76 Soudan Avenue, Toronto / 55-65 Broadway Avenue**  
**File No: 22-144221 DEM, 22-144228 DEM, 22-144232 DEM & 22-144233 DEM**

Please accept this letter as a request for a demolition permit for 70, 72, 74 and 76 Soudan Avenue. These properties are to be conveyed as parkland to the City of Toronto to increase the size of an adjacent future park to be located east of 76 Soudan Avenue.

On August 18, 2017, Parks, Forestry & Recreation issued a letter confirming the offsite parkland dedication at 70-76 Soudan Avenue in connection with the redevelopment of 55 and 65 Broadway Avenue. A copy of the letter is attached. Subsequently, on November 7, 2017, City Council approved the zoning amendment application for 55-65 Broadway and approved an off-site parkland dedication at 70-76 Soudan Avenue. As a condition of conveyance, the parkland is to be transferred to the City free and clear above and below grade, all to the satisfaction of the Parks, Forestry & Recreation. A copy of the Council decision is attached to the letter.

Section 4.7 of the Section 37 agreement for 55-65 Broadway, stipulates that the offsite parkland at 70-76 Soudan Avenue is to be completed prior to issuance of the first above-grade permit for the development. As such, we require a demolition permit for 70-76 Soudan Avenue now to provide enough time to satisfy the conveyance conditions prior to the first above-grade permit. Currently, 55-65 Broadway Avenue is at the excavation stage and will reach up to grade by the Summer of 2023.

The development at 55 and 65 Broadway is approved and will provide much-needed supply of 389 condominium units and 389 rental units, of which 130 rental units are rental replacements. 25 of the rental replacement units are at the affordable range, with the remaining 105 rental replacement units at mid-range rents, all as outlined in the Section 111 agreement for 55-65 Broadway. It is imperative that construction can proceed without delay to deliver this supply of rental housing, especially to those 48 eligible tenants waiting to move back into the property. Furthermore, the rental building is being financed by Canada Mortgage Housing Corporation (CMHC) through the Rental Construction Financing Initiative (RCFI) program to supply nearly 40% of the rental units at 55 Broadway Avenue as affordable for Canadians at or below 30% of median total income, of which a large subset of rents are at or below 21% of median total income. As evident, this is a critical project for affordable housing in the City of Toronto.

---

We kindly request that a demolition permit be issued for 70-76 Soudan Avenue to allow the project to proceed without delay and provide affordable housing and much needed parkland to the mid-town neighbourhood.

Sincerely,
