PROPOSAL

The application to amend the Official Plan proposed to create a new Secondary Plan for the University of Toronto St. George Campus Area. Through the application review process, City staff have drafted a revised version of the University of Toronto St. George Campus Secondary Plan, which would replace the existing University of Toronto Secondary Plan (Chapter 6, Section 20 of the City of Toronto Official Plan) for properties identified within the Secondary Plan Area, generally bounded by Spadina Avenue, Bloor Street West, College Street and an irregular boundary to the west of Bay Street. The Secondary Plan builds on the existing planning framework, including the Downtown Plan (OPA 406), to provide area-specific policies regarding the public realm, built form and land uses. The Official Plan Amendment will also redesignate 2-20 Washington Avenue and 36-56 Harbord Street from Neighbourhoods to Institutional Areas.
