Speed Humps on Cambridge Avenue

Dear Councillor Perks and Toronto and East York Community Council,

Cambridge Avenue is a residential street located north of Danforth Avenue, immediately west of Broadview Avenue. I have heard from residents, concerned about speeding on their street, requesting that speed humps be installed. I have polled the street and local residents support the installation of speed humps on Cambridge Avenue.

Recommendations:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Cambridge Avenue between Pretoria Avenue and Chester Hill Road; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway to install three speed humps on Cambridge Avenue between Pretoria Avenue and Chester Hill Road, for traffic calming purposes, generally as shown on the attached Drawing No. 421G-4096, dated June 2022, from the Director, Traffic Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
