Speed Humps on Rivercourt Blvd

Dear Councillor Perks and Toronto and East York Community Council,

Rivercourt Blvd is a residential street located north of O'Connor Drive, between Pape and Donlands. I have heard from residents, concerned about speeding on their street, requesting that speed humps be installed. I have polled the street and local residents support the installation of speed humps on Rivercourt Blvd.

Recommendations:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Rivercourt Boulevard between Pape Avenue and O'Connor Drive; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway to install five speed humps on Rivercourt Boulevard between Pape Avenue and O'Connor Drive, for traffic calming purposes, generally as shown on the attached Drawing No. 421G-4094, dated June 2022, from the Director, Traffic Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
