Speed Humps on Dustan Crescent

Dear Councillor Perks and Toronto and East York Community Council,

Dunstan Crescent is a residential street located north of O'Connor Drive, near the Don Mills Rd entrance to the Don Valley Parkway. I have heard from residents that vehicles often cut-through using Dustan Crescent to skip the queue of vehicles along O'Connor Drive and access the Don Valley Parkway more quickly. Concerned about speeding on their street, residents requested that speed humps be installed. I have polled the street and local residents support the installation of speed humps on Dustan Crescent.

Recommendations:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Dustan Crescent between O'Connor Drive and Four Oaks Gate; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway to install two speed humps on Dustan Crescent between O'Connor Drive and Four Oaks Gate, for traffic calming purposes, generally as shown on the attached Drawing No. 421G-4108, dated June 2022, from the Director, Traffic Management, Transportation Services

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
