Dear Chair and Members,

**RE: Parking Amendments – Falwyn Avenue**

**BACKGROUND:**

Earlier this year, by way of the Permit Parking office, it was brought to my attention that some discrepancies exist between the signage on Falwyn Avenue and the actual parking bylaw, which has resulted in safety and operational issues on the street.

Permit parking operates from 12:00 midnight to 6:00am. According to the City of Toronto's parking bylaw (Chapter 925), parking is already affixed to the even (north) side of Falwyn Avenue. However, signage on the street indicates alternate side parking.

For this reason, residents are parking on the north side of Falwyn Avenue except on the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of each month from April 1<sup>st</sup> to November 30<sup>th</sup>, during which time they park on the alternate side (south). This conflicts with the current parking regulation and causes residents at times to park on both sides of the street, which narrows the roadway, and in turn creates unsafe conditions and disruptions to City services.

Transportation Services staff have been contacted for recommendations and as a result of their investigation, and after having consulted with area residents, I am recommending that parking regulations be amended and corrected, as outlined below.

**RECOMMENDATION:**

1. Toronto and East York Community Council rescind the parking prohibition in effect on the 1<sup>st</sup> and 3<sup>rd</sup> Wed. of each month, Apr. 1<sup>st</sup> to Nov 30<sup>th</sup>, inclusive on the north side of Falwyn Avenue, between the west end of Falwyn Avenue and Winona Drive.
2. Toronto and East York Community Council rescind the parking prohibition in effect at all times, except the 1<sup>st</sup> Wed. and 3<sup>rd</sup> Wed. of each month, Apr. 1<sup>st</sup> to Nov 30<sup>th</sup>, inclusive on the south side of Falwyn Avenue, between the west end of Falwyn Avenue and Winona Drive.
3. Toronto and East York Community Council prohibit parking at all times on the south side of Falwyn Avenue, between the west end of Falwyn Avenue and Winona Drive.
4. Toronto and East York Community Council amend the existing permit parking regulation in effect at all times from 12:00 midnight to 6:00 a.m., on the even side of Falwyn Avenue, from the west limit to Winona Drive to be in effect at all times, except no parking on the south side of Falwyn Avenue between the west end of Falwyn Avenue and Winona Drive.
