Dear Chair and Members,

RE: Vehicle Prohibition over 2.0 metres – Lane south of Bloor Street west of Lansdowne Avenue, between St. Helens Avenue and Lansdowne Avenue

BACKGROUND:

Residents in the Bloordale neighbourhood reached out to the City of Toronto requesting signage prohibiting vehicles over 2.0 metres in width from travelling in the lane south of Bloor Street west of Lansdowne Avenue, between St. Helens Avenue and Lansdowne Avenue.

The purpose of prohibitive signage is to help with restricting large and heavy vehicles from travelling on the public lane in a way that adversely impacts abutting residents by causing property and road damage while also creating unsafe conditions for other users of the laneway.

I am requesting that prohibitive signage be installed at the subject location as recommended below.

RECOMMENDATIONS:

1. Toronto and East York Community Council prohibit vehicles over 2.0 metres in width from travelling in the first lane, south of Bloor Street West, west of Lansdowne Avenue, between Lansdowne Avenue and St. Helens Avenue.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
