Dear Chair and Members,

RE: Re-Open TE32.76 Speed Bump Installation on East-West Public Lane bounded by Wallace Avenue, Emerson Avenue, Armstrong Avenue and Dufferin Street

BACKGROUND:

TE32.76, which was moved at the April meeting of Toronto East York Community Council contained incorrect boundary information related to the proposed installation of speed bumps. By way of re-opening this item, I am requesting that Traffic Operations staff amend TE32.76, as per the recommendations, regarding the installation of speed bumps on the east-west public lane bounded by Wallace Avenue, Emerson Avenue, Armstrong Avenue and Dufferin Street.

RECOMMENDATIONS:

1. Toronto and East York Community Council re-open item TE32.76 – "Speed Bump Installation on the East-West Public Lane bounded by Wallace Avenue, Emerson Avenue, Armstrong Avenue and Dufferin Street."
2. Toronto and East York Community Council rescind the decision on item TE32.76.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
