All-Way Stop at Lesmount Avenue and Plains Road

Dear Chair Gord Perks and Members,

Lesmount Avenue is a two-way north-south residential street near Donlands Avenue, between Memorial Park Avenue and O'Connor Drive. Plains Road is an east-west street which intersects with Lesmount Avenue. Residents of the community contacted my office expressing serious concern for pedestrian safety on their street and in their neighbourhood and requested an all-way stop at this intersection. I have polled the community and local residents support the installation of an all-way stop at Lesmount Avenue and Plains Road.

Recommendation:

1. Toronto and East York Community Council authorize all-way compulsory stop control at the intersection of Lesmount Avenue and Plains Road.

Sincerely,

Paula Fletcher
