Dear Chair and Members,

RE: Speed Hump Installation on Osler Street

BACKGROUND:

In January 2021, residents reached out to my office with an urgent concern about speeding along their street and requested via an online survey that traffic calming measures (speed humps) be installed as a method of addressing these concerns. Of those that responded, 92% were in support of making this change.

I am requesting that speed humps be installed on Osler Street from Davenport Road to St. Clair Avenue West.

RECOMMENDATIONS:

1. Waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Osler Street, between St. Clair Avenue West and Davenport Road.
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway on Osler Street, between St. Clair Avenue West and Davenport Road, to install four speed humps, generally as shown on the copy of – 'Drawing No. 421G-4103' dated June 2022 from the Director, Traffic Management, Transportation Services.

Thank you for your consideration.

Sincerely,

Ana Bailão
Deputy Mayor
Councillor, Ward 9 – Davenport
