### **Speed Humps on Four Oaks Gate**

Dear Councillor Perks and Toronto and East York Community Council,

Four Oaks Gate is a residential street located north of O'Connor Drive, near the Don Mills RD entrance to the Don Valley Parkway. I have heard from residents that vehicles often cut-through along Four Oaks Gate to skip the queue of vehicles along O'Connor Drive and access the Don valley Parkway more quickly. I have polled the street and local residents support the installation of speed humps on Four Oaks Gate.

#### **Recommendations:**

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Four Oaks Gate between O'Connor Drive and Dustan Crescent; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway to install eight speed humps on Four Oaks Gate between O'Connor Drive and Dustan Crescent, for traffic calming purposes, generally as shown on the attached Drawing Nos. 421G-4106 and 421G-4107, dated June 2022, from the Director, Traffic Management, Transportation Services.

Sincerely,

Paula Fletcher  
City Councillor  
Ward 14, Toronto-Danforth
