Dear Chair and Members of Toronto and East York Community Council,

**Re: Parking Amendments – Manchester Avenue**

The owner of 33 Manchester Avenue contacted my office advising that the existing No Parking condition in front of their house regularly results in vehicles parked on the road and blocking access to their driveway.

The current condition for parking in front of this location is such that it is generally too small of a space to allow for a regular-sized vehicle to park without preventing access to the adjacent property's driveway.

The introduction of a No Stopping Anytime regulation would assist with preventing vehicles from parking on the portion of the road that provides access to the driveway at 33 Manchester Avenue.

**RECOMMENDATIONS:**

1. Toronto and East York Community Council amend the existing parking prohibition in effect at all times, from December 1st of one year to March 31st of the next following year, inclusive on the south side of Manchester Avenue, between Ossington Avenue and Shaw Street, to be in effect between Ossington Avenue and a point 60 metres further east.
