Dear Chair and Members of Toronto and East York Community Council,

**Re: Speed Hump Installation – Brunswick Avenue between Ulster Street and College Street**

In 2019, residents submitted a petition to my office requesting speed humps along Brunswick Avenue between Ulster Street and College St.

Residents have observed an increase in local traffic and speeds. The installation of speed humps may assist in mitigating some of the cut-through traffic and make conditions safer for local vulnerable road users, including seniors and children who play, walk, and cycle on the street.

**RECOMMENDATIONS:**

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Brunswick Avenue, between Ulster Street and College Street.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter sections of the roadway on Brunswick Avenue, between Ulster Street and College Street, to install six speed humps, generally as shown on the copy of 'Drawing No. 421G-4046' dated June 2022 from the Director, Traffic Management, Transportation Services.

Thank you,

Councillor Mike Layton  
Ward 11, University-Rosedale
