Dear Chair and Members of Toronto and East York Community Council,

Re: Traffic Amendments – College Place

In 2021, residents submitted a petition to my office requesting speed bumps along College Place between College St and Dundas St W.

Residents have reported they feel the speeds in the lane are unsafe. The installation of speed humps may assist in calming traffic and making the conditions safer for all users of the lane, including pedestrians and vulnerable road users such as seniors and children.

RECOMMENDATIONS:

1. Toronto and East York Community Council authorize the installation of speed bumps on College Place, between College Street and Dundas Street West, at the locations shown on Drawing Nos. 421G-4068 and 421G-4069, dated June 2022, from the Director, Traffic Management, Transportation Services, Toronto and East York District.

Thank you,

Councillor Mike Layton
