**RE: Motion to Authorize the Implementation of Speed Humps on Robina Ave, between Jesmond Ave and Holland Park Ave**

Dear Chair and Members,

I am writing to respectfully request the implementation of speed humps on Robina Ave, between Jesmond Ave and Holland Park Ave. Residents of the street presented a petition to my office a couple of years ago, which was referred to staff for a study. Though the warrants for the speed humps were not met, residents continue to complain about speeding and other forms of reckless driving on their street on a daily basis. Several residents have young kids. My office reviewed the concerns with Traffic operations staff and we collectively identified this location as a priority for the installation of speed humps.

**RECOMMENDATIONS:**

It is recommended that Toronto and East York Community Council:

1. Waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Robina Avenue, between Jesmond Avenue and Holland Park Avenue
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway on Robina Avenue, between Jesmond Avenue and Holland Park Avenue, to install four speed humps, generally as shown on the copy of 'Drawing No. 421G-4300' dated June 2022 from the Director, Traffic Management, Transportation Services
3. Reduce the speed limit from 40 km/h to 30 km/h on Robina Avenue, between Holland Park Avenue and Vaughan Road, in conjunction with the installation of the speed humps

Sincerely,

Councillor Josh Matlow
