**Re: Motion to Authorize the Implementation of Speed Humps on Cuthbert Crescent, between Manor Road East and Belsize Drive**

Dear Chair and Members,

I am writing to respectfully request the implementation of speed humps on Cuthbert Crescent, between Manor Road East and Belsize Drive. Residents of the street presented a petition to my office requesting this more than two years ago, which was referred to staff for a study. Due to pandemic delays, nothing has been forthcoming and residents have continued to complain of speeding and other forms of reckless and dangerous driving on the street. My office has reviewed video evidence of several "close shaves" involving kids, and we have worked closely with Traffic Operations staff in coming up with the accompanying recommendations.

**RECOMMENDATIONS:**

It is recommended that Toronto and East York Community Council:

1. Waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Cuthbert Crescent, between Manor Road East and Belsize Drive
2. Direct the City Solicitor to prepare a by-law to alter a section of the roadway on Cuthbert Crescent, between Manor Road East and Belsize Drive, to install three speed humps, generally as shown on the copy of 'Drawing No. 421G-4099' dated June 2022 from the Director, Traffic Management, Transportation Services

Sincerely,

Councillor Josh Matlow
