**RE: Speed Humps Installation – Coleridge Ave**

To the Chair and Members of Toronto and East York Community Council:

**Background:**

Residents have reached out to my office with concerns about speeding along their street and requested that traffic calming measures (speed humps) be installed as a method of addressing these concerns. My office polled the homes and there was strong support from the residents for making this change.

I am requesting that speed humps be installed on Coleridge Ave between Lumsden Ave and Milverton Ave

**Recommendations:**

It is recommended that:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Coleridge Avenue between Lumsden Avenue and Milverton Boulevard; and
2. Direct the City Solicitor to prepare a by-law to alter sections of the roadway to install four speed humps on Coleridge Avenue between Lumsden Avenue and Milverton Boulevard for traffic calming purposes, generally as shown on the attached Drawing Nos. 421G-4074 and 421G-4075, dated June 2022, from the Director, Traffic Management, Transportation Services.

Sincerely,

**Brad Bradford**

Toronto City Councillor
