RE: Glenmount Park Rd and Love Cres (All Way Stop Control)

To the Chair and Members of Toronto and East York Community Council:

Background:

Residents have reached out to my office with concerns about pedestrian safety on their roadway. Our office has received a petition from residents with overwhelming support for the installation of all-way stop controls at the above mentioned intersection.

I am requesting that all-way stop controls be installed at Glenmount Park Rd and Love Cres

Recommendations:

It is recommended that:

1. Toronto and East York Community Council authorize all-way stop control at the intersection of Glenmount Park Road and Love Crescent

Sincerely,

Brad Bradford
