**RE: Parking Amendments – Main Street**

To the Chair and Members of Toronto and East York Community Council:

**Background:**

Residents have reached out to my office with concerns regarding lack of parking in their community. My office has received a petition from residents asking for dual-side parking on Main Street between Lumsden Avenue and Doncaster Avenue.

**Recommendations:**

It is recommended that:

1. Toronto and East York Community Council amend the existing parking prohibition in effect at all times, January, February, March, April, June, August, October and December on the west side of Main Street, between Doncaster Avenue and a point 33 metres south of Hamstead Avenue, to be in effect between Lumsden Avenue and a point 33 metres south of Hamstead Avenue.
2. Toronto and East York Community Council amend the existing parking prohibition in effect at all times, May, July, September and November on the east side of Main Street, between a point 30.5 metres north of Doncaster Avenue and Hamstead Avenue, to be in effect between Lumsden Avenue and Hamstead Avenue.
3. Toronto and East York Community Council rescind the existing permit parking regulation in effect in May, July, September and November, except no parking anytime from Hamstead Avenue to a point 33 metres south from 11:00 p.m. to 5:00 a.m., on the even side (west side) of Main Street, from Doncaster Avenue to Hamstead Avenue.
4. Toronto and East York Community Council authorize permit parking to be in effect in May, July, September and November, from 11:00 p.m. to 5:00 a.m., on the even side (west side) of Main Street, from Lumsden Avenue to Hamstead Avenue.
5. Toronto and East York Community Council rescind the existing permit parking regulation in effect in January, February, March, April, June, August, October and December, from 11:00 p.m. to 5:00 a.m., on the odd side (east side) of Main Street, from Doncaster Avenue to Hamstead Avenue.
