**RE: Speed Humps Installation – Laneway - South of Kingston Rd, West of Southwood Rd**

To the Chair and Members of Toronto and East York Community Council:

**Background:**

Residents have reached out to my office with concerns about speeding along their laneway after the construction of a condominium and grocery store, and requested that traffic calming measures (speed bumps) be installed as a method of addressing these concerns. My office polled the homes and there was strong support from the residents for making this change.

I am requesting that speed humps be installed in the laneway south of Kingston Rd and West of Southwood Rd.

**Recommendations:**

It is recommended that:

1. Toronto and East York Community Council authorize the installation of speed bumps in the Lane South of Kingston Road, West of Southwood, between Glen Stewart Crescent and Southwood Drive, as shown on Drawing No. 421G-4101, dated June 2022, from the Director, Traffic Management, Transportation Services.

Sincerely,

**Brad Bradford**

Toronto City Councillor  
Beaches-East York | Ward 19
