Councillor Gord Perks
Chair, Toronto and East York Community Council
Toronto City Hall

Logan Avenue – Cycling Safety

Dear Chair and Members of the Toronto and East York Community Council,

I am writing to you today about Cycling safety on Logan Avenue. Logan Avenue is an important connection between the Danforth and the Lakeshore. However between Dundas and Eastern there are no bike lanes, which can lead to conflicts between vehicles and cyclists.

Transportation Services have identified Logan in their long-term plan for upgrades, but due to the Ontario Line Construction impacting the lanes between Dundas and Gerrard they have deferred consideration of any changes into the future.

A recent serious injury to a cyclist on Logan underscores the need to implement measures ahead of any permanent upgrades.

Recommendation:

1. Toronto and East York Community Council request the General Manager, Transportation Services, to implement measures to protect cyclists on Logan Avenue between Eastern and Dundas during the Ontario Line Construction ahead of permanent upgrades to the Logan Avenue bike lanes.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
