Dear Chair and Council Members,

RE: Amend Parking Regulations on Gloucester Street

Several residents along Gloucester Street have reached out to my office and have requested improvements to the parking regulations which will assist with more efficient parking and add a few parking spaces to the street.

We are requesting some minor adjustments to the parking regulations along Gloucester Street between Church Street and Jarvis Street to improve the on-street parking experience for the local residents and permit holders.

RECOMMENDATIONS:

It is recommended that Toronto and East York Community Council:

1. Prohibit standing at all times on the north side of Gloucester Street, between a point 69 metres west of Jarvis Street and a point 6 metres further west.
2. Rescind the existing parking machines on the north side of Gloucester Street, between Church Street and Jarvis Street, in effect from 8:00 a.m. to 9:00 p.m., Monday to Saturday and from 1:00 p.m. to 9:00 p.m. on Sunday, for a maximum period of three hours at a rate of \$3.00 per hour.
3. Rescind the existing permit parking in effect from 10:00 p.m. to 7:00 a.m., at all times, except no parking anytime from a point 55 metres east of Church Street to a point 11 metres further east; and from a point 90 metres east of Church Street to a point 7 metres further east, on the even (north) side of Gloucester Street, from Jarvis Street to Church Street.

4. Authorize the installation of parking machines on the north side of Gloucester Street, from Jarvis Street to a point 69 metres west, from a point 75 metres west of Jarvis Street to a point 97 metres east of Church Street, from a point 66 metres east of Church Street to a point 24 metres further east, and from Church Street to a point 55 metres east, to be in effect from 8:00 a.m. to 9:00 p.m., Monday to Saturday and from 1:00 p.m. to 9:00 p.m. on Sunday, for a maximum period of three hours at a rate of \$3.00 per hour.
5. Authorize permit parking to be in effect from 10:00 p.m. to 7:00 a.m., at all times, except no parking anytime from a point 55 metres east of Church Street to a point 11 metres further east; from a point 90 metres east of Church Street to a point 7 metres further east, and from a point 69 metres west of Jarvis Street to a point 6 metres further west, on the even (north) side of Gloucester Street, from Jarvis Street to Church Street.

Respectfully submitted,

Councillor Robin Buxton-Potts
